 - 1/ directly at the Bank's branch that holds his account:
 - a/ by entering the attorney's details into the "Specimen Signature Card". In order for the power of attorney to be valid, the attorney must submit a specimen signature on the "Specimen Signature Card". CHAPTER 6

Specimen Signature Card

§ 26

1. The "Specimen Signature Card" constitutes an integral part of the Bank Account Agreement. It is a document that defines the rights of the persons to administer the Customer's account(s) and is used to record specimens of their signatures.
2. An integral part of the "Specimen Signature Card" is the "Identity card for persons authorized to use the bank account". The Customer is responsible for completing the "Identity card for persons authorized to use the bank account" for every such person.
3. On the "Specimen Signature Card" in the field: "Content/Specimen¹ of the company seal", the Customer may:
 - 1/ leave the word "Content" and delete the word "Specimen", legibly enter the exact content of the company seal used or print the seal. A change in the font or the ink of the seal, which does not involve a change in the content of the seal, as specified in the "Specimen Signature Card", does not require a change to the "Specimen Signature Card" and is deemed by the parties to the Agreement as insignificant for acceptance and execution of the Customer's instructions by the Bank.
 - 2/ delete the word "Content" and leave the word "Specimen" and include a print of the company seal. For the instructions to be valid, the document containing the instruction must then be stamped with the company seal, which is compliant with the specimen in the "Specimen Signature Card", with the reservation that the specimen of the seal does not involve the type of ink used to make the print of the seal,
 - 3/ delete the words "Content" and "Specimen" and enter "no seal/stamp". In such a case, the inclusion of the Customer's seal shall not be required on the instruction forms.

§ 27

1. If the Customer decides that instructions for his account are to be signed by more than one person, two or more signatures will be required in the combination specified by the Customer.
2. The signatures of the persons named in the "Specimen Signature Card" or the signatures of the attorneys referred to in § 23, paragraph 1, point 1 letter b and point 2 are required for the bank account instruction to be valid.

§ 28

1. The "Specimen Signature Card" is valid until it is revoked in writing by the Customer. The revocation is effective on the day following the date the Bank receives the revocation or on a later date, as specified by the Customer.
2. The persons named in the "Specimen Signature Card" lose the rights to administer the funds in the bank account on the dates specified in paragraph 1, on the basis of a written notice (revocation) sent to the Bank and signed by the persons authorized to make representations on the Customer's property rights and duties.
3. In the event of the failure to notify the bank of the fact referred to in paragraph 2, the Bank shall not be held liable for any resulting damages.

§ 29

1. A change in the persons authorized to administer the funds in the account requires the preparation of a new "Specimen Signature Card" and the cancellation of the existing "Specimen Signature Card".

2. A change in the persons authorized to administer the funds in the account requires the presentation of new documents from which the change arises. In exceptional cases and on the Customer's written request, the Bank may introduce these changes before court registration on condition that the Bank is presented with notarized documents from which these changes arise. The provisions of § 17 paragraph 2 shall apply accordingly.
3. The Customer should also submit a new "Specimen Signature Card" if there is a change to:
 - 1/ the company name,
 - 2/ the company seal,
 - 3/ the Customer's legal form,
 and for other reasons that affect the administration of funds in the bank account.

CHAPTER 7

3. If the Customer's instruction is inconsistent with the Regulations, the Bank Account Agreement or the provisions of the law, the Bank refuses to fulfill the instruction.
4. If the Customer's payment instruction with the fee or commission due to the Bank is not covered by the funds in the bank account, the Bank may refuse to execute the instruction.
5. Upon consent of the Bank, it is possible to fulfill payment instructions for which there is no coverage in the account, up to the amount and under terms set in a separate agreement with the Bank.
6. The Bank shall fulfil payment instructions in conformity with the bank account number specified by the Customer in a given payment instruction.
7. If the Customer enters an incorrect NRB ID or incorrect IBAN ID in the instruction, the Bank may refuse to execute the instruction. An incorrect NRB or IBAN ID is one that is inconsistent with the bank account number standard specified in the Order of the President of the NBP no. 15/2010 of 15 July 2010 on the method of numbering bank accounts held by banks.
8. In case of domestic or foreign incoming payment orders executed by the Bank, the Bank shall make postings exclusively with the use of the beneficiary's account number included in the incoming payment order. The Bank shall not verify the name against the beneficiary's account number.
9. The Bank may suspend execution of operations on the account in the event of failure of the computer system or failure of the telecommunication system, which forbids access to accounting entries and the ongoing servicing of accounts, until the time such failure is removed.
10. The suspension or refusal to execute transactions by the Bank, for reasons specified in paragraphs 3, 4, 7 and 9 does not constitute a breach of terms of the Bank Account Agreement.

§ 31

The Customer is obliged to observe forms and principles that apply to monetary settlements in domestic and international trading that apply in the Bank.

§ 32

1. A payment instruction shall be deemed received by the Bank upon receiving by the Bank a payment instruction that is correctly filled in, provided, however, that if the Bank has received a payment instruction on a non-business day, it shall be deemed received by the Bank on the first business day thereafter.
2. If the Bank receives a payment instruction referred to in paragraph 1 after the cut-off time specified by the Bank pursuant to paragraph 3, it shall be deemed received by the Bank on the next business day for the Bank.
3. The details relating to:
 - 1/ cut-off times and fulfilment dates applicable to the Customer's instructions, and
 - 2/ the amount limit of cash withdrawals above which the Bank must be advised (in person, by tested (encrypted) fax transmission or via electronic banking systems) and
 - 3/ the forms and methods applied by the Bank to cash settlements,
 shall be notified to the Customer by displaying information in the Bank's operating rooms or on the mBank Group website.

§ 33

1. The Customer may submit payment instructions to the Bank with a future execution date.
2. If the date for execution of instruction, referred to in paragraph 1, falls on a non-business day for the Bank, the Bank executes the instruction on the first business day for the Bank, following the non-business day.
3. The Customer may cancel the submitted payment instruction up to the business day preceding the instruction execution date inclusive.

§ 34

1. The Bank carries out payment instructions of the Customer, incoming domestic payments and incoming foreign payments denominated in the zloty or in the foreign currencies included in the mBank S.A. 2. In the case when it is necessary to convert the amount of a payment instruction, incoming domestic payment or incoming foreign payment, the Bank effects the transaction using the exchange rate of the currency referred to in paragraph 1, applicable at the Bank at the time when the payment instruction is executed.
3. The principles specified in paragraphs 1 and 2 apply unless separate agreements entered into by the Customer and the Bank provide otherwise.

§ 35

1. The Bank shall have the right to:
 - 1/ fulfil instructions in any manner that is deemed reasonable in the light of specific features of a given instruction,
 - 2/ fulfil instruction in a different order than the order of their submission.
2. With the reservation of paragraph 4, upon Customer's order, the Bank may fulfill the instruction to:
 - 1/ set the priority for executing instructions,
 - 2/ block a specific amount.
3. The Customer's instructions do not suspend payments of amounts due to the Bank. The Bank's claims towards the Customer, including any claims resulting from any other agreements between the Customer and the Bank, may be deducted without making any other statements to the Customer.
4. The ability of the Customer to administer the funds in the account may be restricted following a written notice sent to the Bank by a court enforcement officer or administrative enforcement authority to seize or secure a monetary claim from the bank account in connection with enforcement proceedings or proceedings to secure claims being conducted. Such restriction may also follow a decision of an authorized body of state administration. In such cases, the Customer's instruction shall be ineffective.

§ 36

After having signed separate agreements, the Customer may place the instructions:

- 1/ electronically, by using the electronic banking system of the Bank,
- 2/ by telecommunication means.

§ 37

1. The Bank is liable for the timely and proper execution of monetary settlements, provided that the instruction is submitted in a manner enabling its correct execution. The Bank's liability does not cover damages caused by circumstances beyond the Bank's control, in particular force majeure or decisions of the state authorities. In any case, the Bank's liability shall be limited to the loss and shall not cover the Customer's lost benefits.
2. For every day of delay in the execution of the Customer's correct instruction for reasons other than stated in these Regulations, the Bank shall pay interest at the statutory interest rate, calculated on the amount of the Customer's instruction.

§ 38

1. The Customer authorizes the Bank to debit the amount of executed payment instructions from his bank account.
2. The Bank shall debit the Customer's account at the time of executing the instruction unless provisions of agreements signed by the Customer and the Bank, including the Bank Account Agreement, provide otherwise.
3. The Customer is obliged to have funds deposited in his bank account at the time the account is debited with the amount of executed instruction, in the amount covering the amount of instruction to be performed increased by fees and commissions due to the Bank.

§ 39

1. The Bank executes instructions from the bank account that are signed by persons named in the "Specimen Signature Card", or by attorneys described in these Regulations. The use of facsimiles instead of signatures is prohibited.
2. If the signatures on the Customer's instructions do not comply with the specimen signatures placed with the Bank, the instructions shall not be executed by the Bank.
3. The content or print of the company seal on the Customer's instructions must comply with the content or specimen of the stamp on the "Specimen Signature Card".
4. Any payment instructions submitted to the Bank pursuant to paragraphs 1 through 3 shall be deemed authorised by the Customer. The authorisation of a payment instruction shall be tantamount to the Customer's consent to the fulfilment of such instruction.

§ 40

In the event that the Bank refuses to fulfil a payment instruction, the Bank shall promptly notify the Customer of such refusal and of the reason for such refusal.

CHAPTER 8
