## General provisions

1. The Tariff of Banking Fees and Commissions of mBank for SME and Corporates, hereinafter referred to as the "Tariff" sets out the amounts and rules for calculation and collection by mBank of fees and commissions for banking services and other services which are ordered by or rendered to:
  - a) resident entrepreneurs, organisational units with a legal personality and organisational units without a legal personality, excluding banks;
  - b) non-residents, excluding natural persons and foreign banks.
2. The following terms used in the Tariff shall be construed as follows:
  - a) Bank – mBank S.A.;
  - b) business day – a business day at the Bank shall be the day when the Bank is open for clients, i.e. every day from Monday to Friday, excluding public holidays or days the Bank previously announced to be holidays;
  - c) Client – an entity assigned by the Bank to the category SME and Corporates: a resident entrepreneur, organisational unit with a legal personality or organisational unit without a legal personality (excluding banks) or a non-resident (excluding natural persons and foreign banks) that orders a banking service or holds an account with the Bank credited with a transaction;
  - d) retail Client – an entity assigned by the Bank to other category than SME and Corporates (excluding banks), holding an account with the Bank;
  - e) branch – an organisational unit of the Bank which maintains the account of the Client or executes transactions and activities related to handling the Client's order.
3. All banking fees and commissions shall be paid by the Client unless otherwise agreed by the parties to the transaction and approved by the Bank. Fees and commissions not paid by the other party within 3 months of their calculation shall be charged to the Client.
4. Fees and commissions shall be calculated and charged on the date the transaction is executed or on a monthly, quarterly, or other basis as agreed with the Client.
5. In individual justifiable cases the Bank and the Client may agree on fees and commissions and a procedure for calculation of fees and commissions other than set out in the Tariff.
6. Fees and commission that were properly calculated and charged are not refundable.
7. Fees and commissions due to the Bank in one currency for a transaction in another currency shall be set based on the average exchange rate from the applicable Table of exchange rates of mBank S.A.
8. If fees and commissions are charged in other currency than the one they are calculated in, the amounts shall be converted using buy/sell rates from the applicable Table of exchange rates of mBank S.A.
9. In addition to the fees and commissions included in the Tariff, the Bank shall also charge:
  - a) lump sum fees for telecommunications services necessary to execute the Client's orders in accordance with section XI;
  - b) lump sum fees and commissions for postal services necessary to execute the Client's orders in accordance with the applicable price list of the Polish Post ("Cennik usług powszechnych w obrocie krajowym i zagranicznym Poczty Polskiej S.A.");
  - c) fees for courier services if ordered by the Client;
  - d) fees and commissions calculated by foreign and domestic banks acting as intermediaries in the execution of the Client's orders;
  - e) other fees charged by persons and institutions acting as intermediaries while executing the transaction, e.g. a protest, legal opinion.
10. Fees and commissions for unusual services not listed in the Tariff shall be calculated and charged according to the Bank's decision.
11. If the Bank applies a special, labour-intensive procedure to execute the Client's order or, at the Client's order, refrains from applying terms and conditions specified in standard agreements applicable at the Bank, which requires legal and technical analyses and opinions, it may increase the amount of the commission by 50%.
12. The Bank may charge fees and commissions due at a later date if it did not charge them within the periods specified herein.
13. The Bank shall notify the Client of any amendments to this Tariff by making the relevant information available in its outlets, on the mBank Group's website at [www.mbank.pl](http://www.mbank.pl) and additionally in the manner specified in the agreement concluded with the Client.

#### NOTE

A financial institution is construed as an investment fund, investment fund company, insurance company, reinsurance company, pension association, pension fund or brokerage house.

The commission is calculated and charged for every calendar day. The calculation of the commission takes place based on the undermentioned relevant interest rate of this previous business day:

EONIA, or  
LIBOR CHF S/N, or  
CZK 2W Repo Rate, or  
DKK Denmark Nationalbank CD rate, or  
Sweden Repo Rate, or  
Norway Sight Deposit Rate,

from the total balance on financial institution's all current and auxiliary accounts maintained in the same currency (in EUR or CHF or CZK or DKK or SEK or NOK, respectively), reduced by EUR 1 million or CHF 1 million or CZK 1 million or DKK 1 million or SEK 1 million or NOK 1 million respectively – in the case when the total balance exceeds the amount of EUR 1 million, CHF 1 million, CZK 1 million or DKK 1 million or SEK 1 million or NOK 1 million, respectively.

The commission is not calculated and charged in the case when:

- 1/ the total balance on financial institution's all current and auxiliary accounts maintained in the same currency (in EUR or CHF or CZK or DKK or SEK or NOK, respectively) does not exceed the amount of EUR 1 million, CHF 1 million, CZK 1 million or DKK 1 million or SEK 1 million or NOK 1 million, respectively,
- 2/ in the case of the currencies EUR or CHF or DKK or SEK and NOK – in the situation when, on the previous business day, one of the following rates: EONIA or LIBOR CHF S/N or DKK Denmark Nationalbank's CD rate or Sweden Repo Rate or Norway Sight Deposit Rate amounted to zero or was positive.

Interest rate quotations, EONIA, LIBOR CHF S/N, CZK 2W Repo Rate, DKK Denmark Nationalbank CD rate, Sweden Repo Rate and Norway Sight Deposit Rate are available in services maintained by Thomson Reuters and Bloomberg.

The commission is computed in the currency of the accounts, i.e. in EUR or CHF or CZK or DKK or SEK or NOK, respectively.

51. Maintenance of the total balance exceeding in total the amount of PLN 20 million at the end of 31 December of each calendar year on all current, auxiliary, Auto Overnight – automated deposit accounts or Auto Overnight – automatic overnight deposit accounts maintained by the Bank 0.15% of the total balance in PLN at the end of 31 December of each calendar year on all current, auxiliary, Auto Overnight – automatic deposit accounts or Auto Overnight – automatic overnight deposit accounts of the Client maintained by the Bank

**NOTE**

For the needs of calculating the total balance, the balances of particular accounts are added up – in the case of accounts maintained in currencies other than PLN – by converting the balances in other currencies into PLN based on the average exchange rate from the Table of exchange rates of mBank S.A. The Bank reserves the right to calculate the fee at the end of 31 December of each calendar year and to charge the fee within 30 days from that date (the calculation and charge of the fee is not the Bank's duty).

In the case when the Client entered into more than one current or auxiliary account agreement or an agreement on Auto Overnight – automatic deposit account or Auto Overnight – automatic overnight deposit accounts (one or more) with the Bank, the fee is calculated and charged on the basis of only one current or auxiliary account agreement in reference to the aggregated account balances of the accounts maintained under all of these agreements.

**B. Purchase and Sale of Foreign Currencies in Banknotes**

Purchase and sale of foreign currencies – banknotes 1.5%

**NOTE**

When the money is paid into/withdrawn from an account with the Bank, no additional commission on cash deposits/withdrawals is charged.
